Memorandum in Support of
Plaintiffs' Motion to Dismiss
Without Prejudice

Case No. 1:05CV01749

Judge Thomas Hogan

Plaintiffs submit the following memorandum of points and authorities in support of their Motion to Dismiss without Prejudice.

- Plaintiffs retained James A. Moody to represent them in the above captioned matter because of his expertise in issues related to vaccine injury and actions against the government, among other things.
- James A. Moody has suffered from a variety ailments in the last year including a heart-valve transplant (with became infected resulting in sepsis and admission to an intensive care unit). Mr. Moody has also suffered from personal tragedy this year including the death of his long time friend Elizabeth Birt.
- James A. Moody is now currently suffering from congestive heart failure and additional complications from his valve transplant.
- Because of his ailments, Mr. Moody is unable to continue representing the Geiers in the above-captioned matter.

- Mr. Joseph Hennessey is unable to take over the role as lead counsel in this case due to existing client obligations and a lack of resources needed to pursue this action.
- The Geiers sought, yet failed to identify new counsel to represent them going forward in this case.
- The fact that Mr. Moody became incapacitated is not the fault of the Geiers.
- Given his current condition, Mr. Moody cannot be expected to resume his role as Lead Plaintiff any time soon.
- Therefore, the Geiers request that the Court dismiss their complaint without prejudice.
